This is usually a very busy evening so plan to bring some snacks and a water bottle! Looking forward to seeing you!

Since we have moved to our new location, there is only one cookie per person. Also there is diabetic choice being offered. Thanks for your cooperation!

January 19: Legislative Reception

This session will be a challenge for many reasons. One thing to be aware of is the fact that the John L. O’Brian Building will be undergoing renovations this session. This means that there are portables to the side of the Library (old cafeteria) where many of the Representatives offices will be located. There are some physical access issues with the set up so as soon as we have more details you can find more information here. Also as you are making plans to come to Advocacy Day it is important to know that the large cafeteria has been closed and the only place to eat is the small cafeteria in the Legislative Building. With that in mind, it might be a good idea to bring your lunch, that way you can eat your lunch at the church following the Advocacy Day briefing. Also it is not a good idea to drink the water in the buildings so bringing a water bottle might be the best solution.

Hi, Everyone!

See you in 2011!
